Cayman Islands
Government

Get the **official emergency alerts** you need, always by your side

BlackBerry. AtHoc.

nens.gov.ky

1

visit
nens.gov.ky
to opt-in

Visit **nens.gov.ky**
and select '**Opt-in'**

Choose **'App'** and
provide your email address
to sign up

Additionally, you can
sign up to receive
SMS and email alerts

2

download
AtHoc app

Download on the
 App Store

Available on the
 Google Play

Download the **BlackBerry AtHoc** mobile app from your app store

Note: you must have access to **the email address you opted in with** in order to verify and activate your account

3

**open your
email** to
verify your
account

Open the Blackberry AtHoc app on your device

On the registration screen, enter your email address and hit **'Send'.** (Note: This must be **the same email address** used to opt-in)

Check your email for a link from Blackberry AtHoc and click **'Verify Now'**

Critical Step: For **Android devices,** once you return to the Blackberry AtHoc app, please wait 1 - 2 minutes for the mobile app to request the organization code

Apple (iOS) devices automatically connect to the mobile app to request the organization code

4

AtHoc app
will ask you
this code
H M C I

Once your email has been verified, **open the Blackberry AtHoc app**

Enter the organization code. Your organization code is **HMCI.** Press **'Send'**

The screen will indicate that you are now set up to receive notifications
